From the President's Desk Faye Dudek

Dear All Wallingford Camera Club Members:

Short month, too much snow. Are we surviving? We certainly will. Looking forward to March competition special: "Gates".

How are club members doing with information - either trivia or ultra useful. Are you connected with photography information on the web? If not, or if you are, how about digitalPhotographySchool = dPS.com - nice info from this site and there are many more sites to look into. Check out the web (gosh, what did we do before the web), and look for sites that have 'free' information about photography - and if there are sites that charge a little, decide if it is something that you might like or need to know.

Photos can be printed 'outside our domain' (home printer). We can look into BJ's, COSTCO, Walgreen's or any other online site or a close to home shop that will either print photos or have you do it yourself. An online site suggested is Adoramapix. Adoramapix does a nice job if you wish to save your printer ink but spend a little on shipping. So much to consider?? Certainly, there are other shops or sites that print photos.

Please remember that we have Board Members who are willing to answer questions regarding our club and/or photography questions. Feel free to email any Board Member. faye

About the Wallingford Camera Club

The Wallingford Camera Club offers a friendly, pressure-free environment where anyone interested in photography can learn and share photography information. Our club has members of every skill level, from professional photographers to vacation-snapshot photographers.

The WCC holds monthly meetings at Gaylord Hospital in Wallingford, CT. Our meetings are on the second Wednesday of every month,

and begin promptly at 7:00PM. Some meetings are competition nights, where the members submit their work for judging. Other meetings, known as "Program Nights", offer instructional and hands-on training.

Meetings are open to the public, so feel free to come by and join us! However, if you'd like to submit your photos in competition, you must be a member. The WCC membership fees for

per year are: Single members \$30; Couples \$40; Senior members \$25; Senior couples \$35; Junior members \$20. Ribbons are awarded based on the results of the prior month's competition.

Shoreline in the Winter by Bob Carlo

A few weeks ago I was in Branford. My brother was riding in the car with me. His son is opening a bait and tackle shop at a marina in town. I wanted to view the location and the building. I had a purpose in mind to take photos of the marina and the coast. There were several boats dry docked on land. They were not the subject that caught my eye. It was the ice formed around the slips.
