

Wallingford Camera Club Schedule 2021-2022

The club meets every month on the second Wednesday of the month at 7:00 PM. Until further notice all meetings in 2021 will be held on-line due to the Covid-19 pandemic. The on-line meeting link will be sent by eMail at least one-day in advance of the meeting.

The board has decided that the club will move in a new direction this year with fewer competitions and more interactive programs for learning and open exchange. This season the club will only host 2-3 competitions that may include our traditional competition format and possible inter-club competitions. Beyond the competitions the club has discussed several possible ideas and formats for our monthly meetings. These include the following:

1. Guest speakers on topics based on member input and selected by the board
2. "Photo challenges" similar to our special subject competitions but with limited submissions and open discussion and critique on the submitted images from club members
3. Post processing challenges: each member will receive the same images (1 or more) that each member will process and submit for open discussion and critique from club members
4. Time-limited challenges on special subjects; i.e., photos must be taken within a given time-frame
5. A live presentation(s) of post processing from club members describing their workflow and techniques of their photo editing
6. A presentation by one or more club members on the basics of photography that will be advertised/opened to the public
7. More meetings similar to our "open mike" night that also include open topics such as camera equipment, and other photography related topics
8. Travel journalism types of presentations for club members that include more than just photos but details of the travel experience and locations
9. A meeting to review everyone's best photos from group outings (Covid permitting) to a given location
10. A night of video tutorials on member-chosen topics streamed via Zoom

The schedule is subject to change. Club members will be notified in advance.

Meeting Date	Submission Deadline	Type	Topic
Wed 6/9/21		Special event	Review of a slide show of each member's photos submitted for the year end competition and discussion of the club's new format
Wed 7/14/2021		Guest Speaker	Club member presentation TBD
