CAP is a statewide organization of amateur photographers. We have two event meetings a year, one in November and one in June. We also offer field trips throughout the year. Some are one-day while others are for the weekend. We also publish to our blog several times a year where we announce what's happening. Our individual membership is only \$8.00 per year. We also maintain a list of camera clubs. The named representative will get the CAP info to pass on to their club. All Connecticut clubs can participate in our invitational salon. **Please be sure to provide your Email so that we can inform you of important events and announcements.** We will NEVER give your email to an outside source without your permission.

I am applying for membership in the Connecticut Association of Photographers (CAP). I understand that participation in the CAP club's activities is voluntary. By writing my name and submitting dues I waive all liability against CAP and its officers and members and I assume any risk associated with my membership and/or participation in any activities or field trips.

LIABILITY RELEASE: By attending a photography event, workshop, meeting, and/or outing ["Events"] sponsored by and/or organized with or by CAP, I acknowledge that it is not without risk. I agree that CAP and its directors, officers, agents, or assigns will not be held liable for injury, illness, accident, medical emergency, death or other related problems arising from the Event. I also agree to hold CAP and its officers, members, or assigns harmless in the event I suffer equipment theft, damage or loss; memory card theft, damage or loss; data loss; and/or the loss of any other personal property or physical injury while attending any Event. I agree that CAP and its officers, members, or assigns are not liable for acts by humans or of God that may occur during any Event, including, but not limited to: severe weather, earthquakes, volcanic activity, war, terrorism, riot or other civil unrest.

ASSUMPTION OF RISK: As a participant in any Event, I acknowledge that I am expected to be in normal health and am willing to be responsible for my own actions. Although problems are extremely rare, photography events are not risk-free. I acknowledge that my participation in the events constitutes an awareness and acceptance of these risks. I assume complete and total responsibility for my own health, safety and well-being while attending any CAP event.

BINDING ARBITRATION: I agree that any dispute relating to this Release and Assumption of Risk shall be resolved exclusively by binding arbitration according to the then existing rules of the American Arbitration Association in the state of Connecticut in which the CAP operates.

KNOWING AND VOLUNTARY EXECUTION: I have carefully read and fully understand the contents and legal ramifications of this Liability Release, Assumption of Risk and Arbitration Agreement. I understand that this is a legally binding and enforceable contract and I sign it of my own free will. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.
