Club News

Success is defined in Webster's Dictionary as a favorable or prosperous termination of attempts or endeavors. In review of our programs at the library, our successfulness was accomplished in three ways.

First, we attracted interest from the community to attend the programs. We were pleased to see the attendance every week.

Second, the course material was structured to provide skill for the attendees on camera functions, how to attain good exposure, post editing, and perfect selfies.

Third, was the level of participation and engagement. We had some attendees return for three of the programs. This was the realization that we were providing something of value.

About the Wallingford Camera Club

The Wallingford Camera Club offers a friendly, pressure-free environment where anyone interested in photography can learn and share photography information. Our club has members of every skill level, from professional photographers to vacation-snapshot photographers.

The WCC holds monthly meetings at Gaylord Hospital in Wallingford, CT. Our meetings are on the second Wednesday of every month,

and begin promptly at 7:00PM. Some meetings are competition nights, where the members submit their work for judging. Other meetings, known as "Program Nights", offer instructional and hands-on training.

Meetings are open to the public, so feel free to come by and join us! However, if you'd like to submit your photos in competition, you must be a member. The WCC membership fees for

per year are: Single members \$30; Couples \$40; Senior members \$25; Senior couples \$35; Junior members \$20. Ribbons are awarded based on the results of the prior month's competition.
